A schematic diagram of a mechanical linkage system. The diagram includes the following numbered components:

- 1**: A long, angled link with a series of small circles (pins or joints) along its length.
- 2**: A rectangular frame or housing on the right side, with pins at its corners.
- 3**: Two short links at the bottom, connected to the frame (2) and the main link (1).
- 4**: A long, thin horizontal link on the left, connected to the main link (1) via a joint.
- 5**: A central joint or pivot point where the horizontal link (4) and the angled link (1) meet.
